PROFESSIONAL SUMMARY

Aspiring Full-Stack Developer and B.E. Computer Science Engineering student (2022–2026) with hands-on experience building responsive web applications using React.js, Java, SQL, and REST APIs. Proficient in end-to-end user interface design (Figma), object-oriented programming, and database management. Proven track record of delivering clean, user-centric software projects and leading student organization initiatives.

TECHNICAL SKILLS

Languages: Java, JavaScript, SQL, HTML5, CSS3
Frontend: React.js, UI/UX Design (Figma)
Backend & APIs: REST APIs, Object-Oriented Programming (OOP)
Tools & Core CS: Git, GitHub, Data Structures & Algorithms (DSA)

PROJECTS

Erupta Symposium Website

Dec 2024 – Jan 2025

Tech Stack: React.js, CSS3, JavaScript, Git

- Engineered a responsive React web application to manage event schedules, listings, and user registrations, serving over 500+ participants.
- Implemented dynamic event-filtering components and modular forms, reducing navigation time across mobile and desktop devices by 25%.
- Designed clean UI wireframes in Figma prior to frontend implementation, ensuring 100% cross-device compatibility.

User Management System (React CRUD Project)

Oct 2024 – Nov 2024

Tech Stack: React.js, REST APIs, JavaScript, JSON

- Developed a full-stack user management interface featuring dynamic Create, Read, Update, and Delete (CRUD) operations.
- Integrated RESTful APIs to handle real-time data flow, reducing client-server data fetching latency by 15%.
- Implemented form validation and error-handling middleware to ensure robust user data management and prevent invalid inputs.

Responsive E-Commerce Application

Aug 2024 – Sep 2024

Tech Stack: React.js, JavaScript, CSS3, HTML5

- Built an end-to-end e-commerce interface featuring dynamic product listings, category filters, interactive product details, and a functional shopping cart.
- Optimized state management and component re-rendering, resulting in a 30% faster page load time on mobile networks.

EDUCATION

Sethu Institute of Technology

Bachelor of Engineering in Computer Science and Engineering

Oct 2022 – May 2026

CGPA: 7.8 / 10.0

Fusco's Matric Hr Sec School

Higher Secondary Certificate (HSC)

June 2021 – May 2022

Percentage: 74.16%
