PROJECTS

ERUPTA SYMPOSIUM WEBSITE

Developed a responsive React web application for managing event schedules and registrations. Features include dynamic event listing, user registration forms, and a clean UI for seamless navigation across devices.

E-Commerce Website

Developed a responsive e-commerce website using React.js. Implemented intuitive navigation, product listings, product details, shopping cart, and user-friendly interfaces to provide a seamless online shopping experience.

React CRUD project

Developed a user management application using React.js with CRUD functionality. Implemented Create, Read, Update, and Delete operations with REST API integration, focusing on a responsive and user-friendly interface for efficient user data management.

LEADERSHIP ACTIVITY

- Served as Class Lead in Rotaract Club, coordinating members and supporting event execution. Demonstrated organizational skills and teamwork.
